

Journal of Advances in Information Technology

CONTENTS

Volume 15, Number 5, 2024

- A Speed-up Channel Attention Technique for Accelerating the Learning Curve of a Binarized Squeeze-and-Excitation (SE) Based ResNet Model.....565
Wu Shaoqing and Hiroyuki Yamauchi**
- Improving Image Representation for Surface Defect Recognition with Small Data.....572
*Thai Tieu Phuong, Duong Duc Tin, and Le Hong Trang**
- A Reliable Message Broadcast Protocol Using Active RFID Mechanism in Vehicular Ad hoc Networks580
H. Ateeq Ahmed and Dhanaraj Cheelu*
- Relevant Features Independence of Heuristic Selection and Important Features of Decision Tree in the Medical Data Classification.....591
*Yusi Tyroni Mursityo, Irfany Rupiwandani, Widhy H. N. Putra, Dewi Sri Susanti, Titis Handayani, and Samingun Handoyo**
- Empirical Text Analysis for Identifying the Genres of Bengali Literary Work602
Ayesha Afroze, Kishowloy Dutta, Sadman Sadik, Sadia Khanam, Raqeebir Rab, and Mohammad Asifur Rahim*
- On Cost Estimation of the Full Truckload Contracts614
*Szymon Cyperski, Michał Okulewicz, and Paweł D. Domański**
- Detection of COVID-19 Infection Using Deep Neural Network and Machine Learning Technique622
M. Hema and T. S. N. Murthy*
- Multi-Objective Preference Analysis: A Novel Multi-Criteria Decision Analysis Approach for Smart Sharia Tourism Planning630
Fristi Riandari, Sarjon Defit, and Yuhandri*
- Multi-criteria Assessment of a Student's Individual Profile642
Assel Bektenova, Natalya Denissova, Irina Doymina, and Oryngul Sadykanova*
- An Evaluation of Current Malware Trends and Defense Techniques: A Scoping Review with Empirical Case Studies649
Azaabi Cletus, Alex A. Opoku, and Benjamin Asubam Weyori*
- Smart 5G Small Cell Mobile Networking with Sleep Strategy Using Novel Swarm Optimization672
Narasimha Rao Yamarthi, Padma Yenuga, Srikanth Meda, Lakshmi Tulasi R, Venkata Anusha Kolluru, Satish Kumar Patnala, Bujji Babu Dasari, Lakshmi Naga Jayaparada G, Om Prakash Samantray, Narasimha Reddy K V, Kunda Suresh Babu, and Lalitha Kumari Pappala*
